

## Correction:

Dr. Peter Campbell resigned from the BRRRA Board due to a move out of state effective October 26, 2011. Dr. Campbell was not involved in the Barefoot transition document negotiations after October 26, 2011 nor was he involved in finalizing the approval of the transition document settlement agreement.

The *Beach Cabana Transferred to BRRRA* article in the January 2012 issue of the Barefoot Newsletter incorrectly identified Dr. Campbell in it's statement, "The final agreement, unanimously approved by the four (4) owner Board Members, Dave Jenkins, Tom Powell, Tony Sfarra, Peter Campbell (and Mike Atwood who filled the last few weeks of Campbell's term)".
